<p>1. This is a day trip to Akwesasne for a presentation on the environmental damage caused by fluoride emissions from Alcoa and Reynolds in the 1970s, with discussion of the current situation. This part of the Conference will be hosted by the Haudenosaunee Environmental Task Force. Akwesasne is approximately 1 hour from the university campus and is located on the St. Lawrence River near Massena NY and Cornwall, Ontario, Canada. We will breakfast on campus; lunch at Akwesasne; and return for dinner on campus, with an evening discussion. See also Note 3.</p>						
<p>2. If you are booking a double room, please write in the name of the individual you wish to share with. If a preference is not stated, the Conference will assign rooms:</p>						
<p>3. As part of the trip to Akwesasne includes crossing into Canada, you will need to bring with you either an American drivers licence or a passport. If you live outside the U.S. please confirm with the Canadian Embassy if a visa is necessary.</p>						
<p>4. If you want to become a member of FAN, sign up at <a href="http://www.fluoridealert.org/join-fan.htm">http://www.fluoridealert.org/join-fan.htm</a>, and you will be eligible for the FAN member conference rate.</p>
