EPIC™ Dry Flowable Herbicide

For Use on Corn.

EPA Reg. No. 264-800

EPA SLN. No. MO-990002

24(c) Supplemental Label

FOR DISTRIBUTION AND USE ONLY WITHIN THE STATE OF MISSOURI

RESTRICTED USE PESTICIDE

May injure (phytotoxic) susceptible non-target plants.

For retail sale to and use only by certified applicators or persons under their direct supervision and only for those uses covered by the Certified Applicator's certification. Commercial and certified applicators must ensure that all persons involved in these activities are informed of the precautionary statements.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This label must be in the possession of the user at the time of pesticide application. Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on the EPA registered label.

- Do not wash, load, or empty application equipment near any well, as this practice is a potential source of ground water contamination.
- In fields having soils with less than 15% field moisture holding capacity, special care must be taken not to over-irrigate, since substantial over-irrigation promotes the leaching of chemicals.
- **Do not use in the following counties in Missouri: Butler, Cape, Girardeau, Dunklin, Mississippi, New Madrid, Pemiscot, Scott or Stoddard.**

SOIL TYPE RESTRICTIONS

If the water table is less than 25 feet below ground surface, do not apply to the following vulnerable loamy sand or sand soils.

If the water table is unknown, do not apply EPIC DF Herbicide to a restricted soil.

Alvin	Carr	Eustis	Malden	Scotco
Beulah	Clana	Finchford	Plainfield	Shelldrake
Bruno	Crevasse	Hodge	Sandbur	Sparta
Canalou	Diehlstadt	Landes	Sarpy	Wideman

If a field contains several soil types, one of which is a vulnerable soil listed above, and the water table is less than 25 feet, do not apply EPIC DF Herbicide.
