David and Rich,

Thanks so much for trying to make 11/19 work. We originally reserved 10 am to 12N on Monday 11/17 for the fluoropolymer call.

If we go back to 11/17, I will do everything I can to get a revised Appendix B out by first thing in the morning on Monday 11/17, and I think we could have a good discussion of Section 6.6 of Appendix C and possibly begin discussing Rich's text.

If you think that a bit more time would come in handy prior to a call on 11/17, I could make 12N to 2 pm work that day. If all else fails with regard to scheduling, I will get something out by 8 am on Monday for a 10 am call on 11/17.

Please let me know your thoughts on scheduling this call.

Thanks again.

Best Regards,

Robert
