Subject: Revised Appendix E.1 & G

Robert... Thanks for volunteering to compile Appendices B-G for us into one pdf document. Attached are pdf files for Appendix G and the revised Appendix E.1 for both the telomer and fluoropolymer ECAs. Hope this makes it a little easier for you.

As you know, my plan is to incorporate Appendix A directly into the individual ECA documents as soon as your contributions to this appendix become available.

Let me know if you need other items from me.
