Subject Names and addresses for ECA on Incineration

Here is the email from Lynne. Note that Francine Shaw is the DuPont signatory for the fluoropolymer ECA. Katie Symthe's earlier submission had another person listed as the DuPont signatory for the telomer ECA, which is still correct for that ECA.

With David Booth's e-mail today - I believe I now have all the missing pieces for the ECA sign-off. If there are any questions, I will be out of the office next week but will be checking e-mail and voice mail periodically - but will participate in the conference call
