**RE: Errata; and enclosing more reference papers**

Enclosed are more papers cited in References of the September 13, 2005, “Objections and Request for Hearing,” submitted by FAN, EWG and Beyond Pesticides.

We failed to include “Ekstrand 1996” in the References. We cite Ekstrand in Section 9.6.1 of the submission. This should be added to References, Section 14:

The date in the following reference is (2004) not (1999):

This paper was included in References, however we did not cite it in our submission.

As of September 21, 2005: References still to be submitted:

Kanwar KC, Vig PS, Kalla NR (1983). In vitro inhibition of testosterone synthesis in the presence of fluoride ions. IRCS Med. Sci. 11: 813-814,
