

CURRICULUM VITAE

NAME **Scott L. Tomar**

WORK ADDRESS Department of Community Dentistry and Behavioral Science
University of Florida College of Dentistry
1329 SW 16th Street, Suite 5180
P.O. Box 103628
Gainesville, FL 32610-3628
TEL: 352-273-5968
FAX: 352-273-5985
E-mail: stomar@dental.ufl.edu

PRESENT POSITION Professor and Chair, Department of Community Dentistry and Behavioral Science, University of Florida College of Dentistry

EDUCATION

Date	School	Degree	Major
1976–80	Temple University Philadelphia, Pennsylvania	BA	Sociology
1980–84	Temple University School of Dentistry Philadelphia, Pennsylvania	DMD	Dentistry
1988–89	Columbia University School of Public Health New York, New York	MPH	General Public Health
1989–91	University of Michigan School of Public Health Ann Arbor, Michigan	Specialty Certificate	Dental Public Health
1990–93	University of Michigan School of Public Health Ann Arbor, Michigan	DrPH	Oral Epidemiology

LICENSURES AND CERTIFICATIONS

1984 Pennsylvania (Dentistry)
1984 New Jersey (Dentistry)
1989 Michigan (Dentistry)
1994 Diplomate, American Board of Dental Public Health
2006 Florida State Board of Dentistry Teaching Permit #458
2006 NPI Number 1487606950

PROFESSIONAL EXPERIENCE

1984 General Dentist, Kibbutz Yahel, Israel.
1984–1988 General Dentist, private practice, Philadelphia, PA.
1988–1989 Research Assistant, Columbia University School of Public Health, Division of Sociomedical Sciences, New York, NY.
1989–1991 Resident in Dental Public Health, The University of Michigan School of Public Health and Michigan Department of Public Health.

August 29, 2007

Scott L. Tomar

- 1990–1993 Research Fellow in Oral Epidemiology, The University of Michigan School of Public Health, Program in Dental Public Health. Dissertation topic: Periodontal manifestations in an HIV-infected military population.
- 1993–1996 Epidemic Intelligence Service Officer (1993–1995) and Epidemiologist (1995–1996). Centers for Disease Control and Prevention, National Center for Chronic Disease Prevention and Health Promotion, Office on Smoking and Health
- 1996–1998 Assistant Professor of Oral Epidemiology, University of California at San Francisco School of Dentistry, Department of Dental Public Health and Hygiene.
- 1998–2000 Epidemiologist and Dental Officer. Centers for Disease Control and Prevention, National Center for Chronic Disease Prevention and Health Promotion, Division of Oral Health
- 2000–2005 Associate Professor, Division of Public Health Services and Research, University of Florida College of Dentistry. Tenure granted February 2002.
- 2005–2006 Associate Professor, Department of Community Dentistry and Behavioral Science, University of Florida College of Dentistry
- 2000–2006 Director, Dental Public Health Residency Program, University of Florida College of Dentistry
- 2000–2004 Associate Professor, University of Florida Graduate School, Master of Public Health Program.
- 2004–2007 Adjunct Associate Professor, University of Florida College of Public Health and Health Professions, Master of Public Health Program
- 2007–Present Affiliate Associate Professor, University of Florida College of Public Health and Health Professions, Department of Epidemiology and Biostatistics.
- 2004–Present Adjunct Associate Professor, University of Florida College of Medicine, Master of Science in Epidemiology Program
- 2004–Present Associate Professor, University of Florida Graduate School, Department of Dental Sciences.
- 2000–2004 Editor, *Journal of Public Health Dentistry*
- 2005–Present Chair, Department of Community Dentistry and Behavioral Science, University of Florida College of Dentistry
- 2006–Present Professor, Department of Community Dentistry and Behavioral Science, University of Florida College of Dentistry

HONORS AND AWARDS

- 1984 American Dental Assoc. Certificate of Recognition for Foreign Dental Service.
- 1990 American Assoc. of Public Health Dentistry Graduate Student Merit Award
- 1990–1993 National Research Service Award, National Institutes of Health
- 1995 Outstanding Poster Award, 44th Annual Epidemic Intelligence Service Conference, Atlanta, Georgia
- 1995 U.S. Department of Health and Human Services, Public Health Service On-the-Spot Award
- 1999 U.S. Department of Health and Human Services, Centers for Disease Control and Prevention Special Act Award

Scott L. Tomar

- 2002 Co-author, Award for Best Paper in Journal of Public Health Dentistry, American Association of Public Health Dentistry. [Griffin SO, Jones K, Tomar SL. An economic evaluation of community water fluoridation. *Journal of Public Health Dentistry* 2001;61(2):78–86].
- 2002 Nominee for Charles C. Shepard Science Award (co-author), Centers for Disease Control and Prevention. [Griffin SO, Gooch BF, Lockwood SA, Tomar SL. Quantifying the diffused benefits from water fluoridation in the United States. *Community Dent Oral Epidemiol* 2001;29:120–9].
- 2002 Selected for University of Florida Laptop Faculty Development Program
- 2004 Co-author, Award for Best Paper in Journal of Public Health Dentistry, American Association of Public Health Dentistry. [Beltrán-Aguilar E, Malvitz D, Lockwood S, Rozier G, Tomar S. Oral health surveillance: past, present, and future challenges. *J Public Health Dent* 2003; 63(3):142–9].
- 2004 Distinguished Service Award, American Association of Public Health Dentistry
- 2006 Elected membership, Omicron Kappa Upsilon Honor Dental Society, Xi Omicron Chapter, University of Florida

PROFESSIONAL SERVICE AND ACTIVITIES

Memberships in Professional Organizations

- 1990 – Present American Association for Dental Research
- 1989 – Present American Association of Public Health Dentistry (AAPHD)
- 1996 – 2000 Executive Council Member, AAPHD
- 1996 – 2004 Oral Health Policy Committee, AAPHD. Co-chair, 1996–2000
- 2001 – 2004 Communications Committee
- 2007 – Present Vice President
- 1998 – Present American Dental Association
- 2002 – Present Consultant, Council on Access, Prevention and Interprofessional Relations
- 2003 – Present Consultant, Commission on Dental Accreditation
- 2003 – Present American Dental Education Association (ADEA)
- 2003 – 2005 Co-chair (with Venita Sposetti, DMD), ADEA Special Interest Group on Tobacco
- 1989 – Present American Public Health Association
- 1996 – 1998 California Public Health Association – North
- 2000 – Present Florida Dental Association and Central District Dental Society
- 2000 – 2005 Florida Public Health Association
- 2007 – Present Hispanic Dental Association
- 1990 – Present International Association for Dental Research (IADR)
- 2000 – 2001 Symposium Coordinator, IADR Behavioral Science and Health Services Research (BSHSR) Group
- 2001 – 2002 Program Chair, IADR BSHSR Group
- 2005 – 2006 President-elect, IADR BSHSR Group
- 2006 – 2007 President, IADR BSHSR Group

Scott L. Tomar

2000 – 2006	Member, IADR <i>Ad Hoc</i> Committee Against Tobacco
2005 – 2006	Chair, IADR <i>Ad Hoc</i> Committee Against Tobacco
2007 – Present	AADR Elected Representative, IADR & AADR Joint Publications Committee
1997 – 2006	Society for Research on Nicotine and Tobacco
2000 – Present	World Association of Medical Editors

Work for Professional Societies

February 1990 – September 1991. Committee developing Dental Public Health Research Agenda for American Association of Public Health Dentistry and Dental Section, American Public Health Association.

October 19–21, 1994. Co-president, session on Adult Oral Health, American Association of Public Health Dentistry 57th Annual Session, New Orleans, Louisiana.

March 13–17, 1996. Co-chair, session on Behavioral Science/Health Services Research, International Association for Dental Research 74th General Session, San Francisco, CA.

September 25–27, 1996. Co-moderator, session on Managed Dental Care: A Public Health Issue, American Association of Public Health Dentistry 59th Annual Meeting, Orlando, Florida.

October 15–17, 1997. Reviewer, submitted scientific abstracts, American Association of Public Health Dentistry 60th Annual Meeting, Washington, DC.

October 16, 1997. Moderator, session on Factors Affecting Delivery, Financing and Utilization of Care. American Association of Public Health Dentistry 60th Annual Meeting, Washington, DC.

November 10, 1997. President, panel discussion: “Tobacco-Related Oral Diseases: Can Oral Health Teams Reduce Patient Risks?” American Public Health Association 125th Annual Meeting, Indianapolis, Indiana.

October 6, 1999. Facilitator, round table discussion: “Cigars: Health Effects and Recent Trends.” American Association of Public Health Dentistry 62nd Annual Meeting, Honolulu, Hawaii.

1999-2000. Planning committee, 2nd International Conference on Smokeless Tobacco. Chicago, IL, August 5, 2000.

May 3, 2000. Moderator, session on Oral Health Promotion and Disease Prevention. American Association of Public Health Dentistry 63rd Annual Meeting / Association of State and Territorial Dental Directors 52nd Annual Meeting, Oak Brook, Illinois.

April 30, 2001. Moderator, scientific session on Public Health Dentistry and Policy. American Association of Public Health Dentistry 64th Annual Meeting / Association of State and Territorial Dental Directors 53rd Annual Meeting, Portland, Oregon.

March 14, 2003. Poster Discussion Session Chair, “Oral Health Disparities.” 31st Annual Meeting of the American Association for Dental Research, San Antonio, TX.

Scott L. Tomar

June 29, 2006. Symposium organizer and moderator. "Tobacco and Oral Health: Updates on Health Effects, Predictors, and Interventions." International Association for Dental Research General Session, Brisbane, Australia.

February 2006–October 2007. Annual meeting planning committee, Hispanic Dental Association.

Service to Professional Publications

2000–2004 Editor, *Journal of Public Health Dentistry*

Ad hoc reviewer: *Addiction, American Journal of Managed Care, American Journal of Preventive Medicine, American Journal of Public Health, BMC Medicine, Cancer, Community Dental Health, Community Dentistry and Oral Epidemiology, Diabetes Care, Drug and Alcohol Dependence, Drug and Alcohol Review, HMO Practice, Journal of the American Dental Association, Journal of the American Medical Association, Journal of Clinical Periodontology, Journal of Consulting and Clinical Psychology, Journal of Dental Education, Journal of Dental Research, Journal of Evidence-Based Dental Practice, Journal of Health Care for the Poor and Underserved, Journal of Internal Medicine, Journal of the National Cancer Institute, Journal of Public Health Dentistry, The Lancet, Medical Decision Making, Medical Principles & Practice, Nicotine & Tobacco Research, Oral Diseases, Preventing Chronic Disease, Regulatory Toxicology and Pharmacology, Special Care in Dentistry, Tobacco Control*

1996–Present Advisory Board member, Applied Behavior Science Press.

PAPERS, LECTURES, PRESENTATIONS

Oral Presentations

February 19, 1993. "Dentistry's role in a national health care plan." Michigan Dental Association Board of Directors Meeting, Lansing, Michigan.

October 1993. "A comparison between the Behavioral Risk Factor Surveillance System and the Current Population Survey for state-specific racial and Hispanic smoking prevalence estimates." Epidemic Intelligence Service Surveillance Course, Atlanta, Georgia.

March 8–13, 1994. Tomar SL, Swango PA, Kleinman DV, Burt BA. "Periodontal attachment loss in HIV-seropositive military personnel." International Association for Dental Research Annual Meeting, Seattle, Washington.

October 19–21, 1994. Tomar SL. "Receipt of tobacco cessation advice from dentists, United States, 1992." American Association of Public Health Dentistry Annual Session, New Orleans, Louisiana.

August 2, 1994. Giovino GA, Zhu BP, Tomar SL, Peddicord JP, McCarty M, Chrismon J, Eriksen MP. "Epidemiology of tobacco use and symptoms of nicotine addiction in the United

Scott L. Tomar

States: a compilation of data from large national surveys.” Presented to the Food and Drug Administration, Drug Abuse Advisory Committee, Rockville, Maryland.

December 5, 1994. Giovino GA, Tomar SL, Reddy MN, Peddicord JP, Zhu BP, Escobedo LG, Eriksen MP. “Attitudes, knowledge, and beliefs about low yield cigarettes among US adolescents and adults.” Invited paper at the National Cancer Institute Conference on the Federal Trade Commission Cigarette Test Method, Bethesda, Maryland.

April 18, 1995. Tomar SL, Giovino GA, Eriksen MP. “Smokeless tobacco brand preference and brand switching among adolescents and young adults: Epidemiological evidence of the ‘success’ of the ‘graduation’ marketing strategy.” Epidemiology Grand Rounds, Centers for Disease Control and Prevention, Atlanta, Georgia.

May 18, 1995. Giovino GA, Siegel MB, Tomar SL. “Cigarette advertising and brand preference among adolescents and adults: Data from U.S. national studies.” Paper presented at the 1995 Society for Consumer Psychology Conference: The Role of Advertising in Social Marketing, Atlanta, Georgia.

July 31, 1995. Tomar SL, Giovino GA, Faulkner DL. Invited paper: “Patterns of tobacco use and other risk factors for head and neck cancers among African Americans in the United States.” National Medical Association Annual Convention and Scientific Assembly, Atlanta, Georgia.

September 15–17, 1995. Invited presentation: “Smokeless tobacco brand preference and brand switching among adolescents and young adults.” Third National Oral Health 2000 Consortium, Chicago, Illinois.

March 13–17, 1996. Tomar SL, Winn DM, Kleinman DV. “Smokeless tobacco-associated oral lesions in U.S. school children.” International Association for Dental Research 74th General Session, San Francisco, California.

October 15, 1996. Invited presentation for UCSF Oral Biology Series: “Recent Epidemiological Studies of Tobacco Use and Oral Health.”

January 31, 1997. Invited roundtable presentation: “Current research and programs on tobacco use and oral health.” Annual Meeting of California Public Health Association – North, San Francisco, California.

March 15–19, 1997. Invited speaker: “Government agency to dental education: advantages and challenges.” American Association of Dental Schools Annual Session, Orlando, FL

March 19–23, 1997. Tomar SL, Weintraub JA, Gansky SA. Coronal and root caries among long-term users of chewing tobacco. International Association for Dental Research 75th General Session, Orlando, Florida.

May 19–20, 1997. Invited speaker, California Department of Health Services Tobacco Control Section Workshop: “Health Effects of Smokeless Tobacco.” Sacramento, California.

October 15–17, 1997. Tomar SL, Azevedo AB, Lawson RL. “Adult dental visits and reasons for not visiting — California, selected years 1991–1995, Behavioral Risk Factor Surveillance System.” American Association of Public Health Dentistry Annual Meeting, Washington, DC.

Scott L. Tomar

October 21, 1997. Tomar SL, Azevedo AB, Lawson RL. "Adult dental visits and reasons for not visiting — California, selected years 1991–1995, Behavioral Risk Factor Surveillance System." DPHH 175: Dental Public Health Seminar Series, UCSF School of Dentistry.

December 16, 1997. Invited speaker, UCSF and UCLA Videoconference: "Public Health Applications of Electronic Dental Databases." Assessing Outcomes of Dental Treatment Using an Integrated Electronic Database: Setting a Research Agenda.

March 4–8, 1998. Tomar SL, Winn DM. "Coronal and root caries among U.S. adult users of chewing tobacco." American Association for Dental Research 27th Annual Meeting, Minneapolis, Minnesota.

August 10, 1998. Tomar SL, Giovino GA. "Predictors of smokeless tobacco use among US youth: findings from a national follow-up study." National Cancer Institute / National Institute of Dental Research Spit Tobacco Initiative Meeting, Bethesda, MD.

September 28, 1998. Tomar SL. "National Public Health Surveillance System: An Oral Health Perspective." Meeting of the National Oral Health Surveillance System Advisory Committee, Association of State and Territorial Dental Directors. Atlanta, GA.

October 22, 1998. Tomar SL, Marcus SE. "Cigarette smoking and periodontitis: findings from NHANES III." American Association of Public Health Dentistry Annual Meeting, San Francisco, CA.

December 3, 1998. Tomar SL. "Prevention and Control of Oral Cancer: CDC's Efforts and Future Plans." Medical University of South Carolina, College of Dental Medicine. Presentation to faculty and students. Charleston, SC.

May 6–7, 1999. Tomar SL, Malvitz DM. "Adult Dental Visits in Selected U.S. States, 1995–1997." Behavioral Risk Factor Surveillance System 16th Annual Conference, Minneapolis, MN.

July 26, 1999. Tomar SL, Winn DM. "Chewing Tobacco and Dental Caries." National Cancer Institute / National Institute of Dental and Craniofacial Research Spit Tobacco Initiative Meeting, Bethesda, MD. (Invited presentation).

July 26, 1999. Tomar SL. "Reaction to: Bouquot J, Meckstroth R. Oral Cancer in a Tobacco-Chewing US Population—No Apparent Increased Incidence or Mortality." National Cancer Institute / National Institute of Dental and Craniofacial Research Spit Tobacco Initiative Meeting, Bethesda, MD. (Invited presentation).

October 6–8, 1999. Tomar SL, Lester A. "Dental and Other Health Care Visits among U.S. Adults with Diabetes." American Association of Public Health Dentistry Annual Meeting, Honolulu, Hawaii.

April 5–8, 2000. Lunch and Learn Session Speaker: "The Behavioral Risk Factor Surveillance System and Other Mechanisms for Oral Health Surveillance at CDC." International Association for Dental Research 78th General Session.

Scott L. Tomar

May 3, 2000. Tomar SL. “CDC Division of Oral Health Program Review: Adult Oral Health.” American Association of Public Health Dentistry 63rd Annual Meeting / Association of State and Territorial Dental Directors 52nd Annual Meeting, Oak Brook, IL

May 3, 2000. Tomar SL. “Use of Smokeless Tobacco by U.S. Men: An Update.” American Association of Public Health Dentistry 63rd Annual Meeting / Association of State and Territorial Dental Directors 52nd Annual Meeting, Oak Brook, Illinois.

August 5, 2000. Tomar SL. “Is Smokeless Tobacco Use a Risk Factor for Cigarette Smoking? Findings From U.S. Population-Based Surveys.” Invited presentation at Second International Conference on Smokeless/Spit Tobacco, Chicago, Illinois.

August 10, 2000. Tomar SL, Fant RV, Henningfield JE. “Symptoms of Nicotine Dependence Among Users of Smokeless Tobacco.” Invited Presentation at 11th World Conference on Smoking OR Health, Chicago, Illinois.

October 26–27, 2000. “Infrastructure & Capacity Assessment Progress Report.” Invited Presentation at the Healthy People 2010 Oral Health Steering Committee Meeting, Bethesda, Maryland.

April 6, 2001. “Tobacco and Oral Health.” Invited Presentation at The Alabama Tobacco Prevention and Control Conference, Birmingham, Alabama.

April 30–May 1, 2001. Tomar SL, Lockwood SA, Malvitz DM. States’ success in achieving Healthy People 2000 Oral Health Objectives. American Association of Public Health Dentistry 64rd Annual Meeting / Association of State and Territorial Dental Directors 53rd Annual Meeting, Portland, OR.

June 29, 2001. Tomar SL. Tobacco use and oral health effects — USA. Invited speaker, Symposium on Tobacco Use and Oral Health Effects in Different World Populations. 79th General Session of the International Association for Dental Research, Chiba, Japan.

October 23, 2001. Tomar SL. Dental public health infrastructure and capacity in the United States. Invited presentation at the 129th Annual Meeting of the American Public Health Association. Atlanta, Georgia.

October 24, 2001. Tomar SL. Assessment of attitudes about oral cancer detection and prevention. Invited presentation at US Department of Health and Human Services, Office of Public Health and Science, Region IV 2001 Program Review.

November 4, 2001. Tomar SL. Dental public health infrastructure assessment. Invited presentation. Healthy People 2010: Building Healthy Communities, States, and a Nation through Partnerships. Washington, DC.

February 10–12, 2002. Tomar SL. Trends and challenges in Dental Public Health specialty training. Invited presentation and workgroup facilitator at Fourth Annual National Dental Public Health Residency Directors’ Workshop. Bethesda, MD.

Scott L. Tomar

March 4, 2002. Tomar SL. Epidemiology of tobacco and periodontal health. Invited presentation at American Dental Education Association 79th Annual Session, Dental Hygiene Education Section Meeting. San Diego, CA.

April 29–May 1, 2002. Tomar SL. Florida model for oral cancer control. Invited presentation at the National Oral Health Conference. Danvers, MA.

September 22–25, 2002. Tomar SL. Non-cancerous oral health effects of *snus* and other forms of smokeless tobacco. Invited presentation at the 3rd International Conference on Smokeless Tobacco. Stockholm, Sweden.

September 26, 2002. Tomar SL. Public health implications of smokeless tobacco as a harm reduction strategy for smokers. Invited presentation at Karolinska Institutet Institute of Odontology. Huddinge, Sweden.

October 21–23, 2002. Tomar SL. Trends and patterns of tobacco use in the United States. Invited presentation at Tobacco Update 2002: Scientific Advances and Clinical Perspectives. Sponsored by University of Mississippi and The Partnership for a Healthy Mississippi. Jackson, MS.

January 29, 2003. Tomar SL. “Smokeless Tobacco: Harm Reduction or Threat to Public Health?” Invited presentation at the University of Medicine and Dentistry of New Jersey, Newark, NJ.

February 21–22, 2003. Tomar SL. “Smokeless Tobacco as a Harm Reduction Strategy for Smokers: Evidence and Implications.” Invited presentation at the Joint Cancer Conference of the Florida Universities. Orlando, FL.

March 12–15, 2003. Tomar SL. Florida Model for Oral Cancer Control. Invited presentation at 32nd Annual Meeting of the American Association for Dental Research. San Antonio, TX.

March 19–22, 2003. Logan HL, Tomar SL, Papas RK. Predictors of perceived health status in a multi-ethnic urban sample. Society for Behavioral Medicine 24th Annual Meeting. Salt Lake City, UT.

March 19–22, 2003. Papas RK, Logan HL, Tomar SL. Predictors of perceived health status in an Hispanic urban sample. Society for Behavioral Medicine 24th Annual Meeting. Salt Lake City, UT.

August 4–8, 2003. Tomar SL, Connolly GN, Blum A. Epidemiologic evidence for smokeless tobacco as a harm reduction strategy for smokers. 12th World Conference on Tobacco or Health. Helsinki, Finland.

September 2, 2003. Tomar SL. Is Smoking the Major Preventable Risk Factor for Periodontitis? Invited presentation to sales representatives for Pfizer, Inc. Amelia Island, FL.

September 15, 2003. Tomar SL. Florida Model for Oral Cancer Control: Preliminary Findings. Invited presentation at CDC’s 2003 Cancer Conference, Comprehensive Approaches to Cancer Control: The Public Health Role. Atlanta, GA.

December 10–12, 2003. Winn D, Tomar S, Connolly G, Blum A. Smokeless tobacco update, science and public health policy. 2003 National Conference on Tobacco or Health. Boston, MA.

Scott L. Tomar

January 19, 2004. Tomar SL. Smokeless Tobacco: Harm Reduction for Smoking or Marketing an Addiction? Invited presentation, Leverett Speaker Series. Eastman Dental Center, Rochester, NY.

March 10, 2004. Tomar SL, Loree M, Logan H. Racial Differences in Oral Cancer Treatment and Survival in Florida. 82nd General Session of the International Association for Dental Research. Honolulu, Hawai'i.

SERVICE

University Service

1991–1992. Accreditation Self-Study Advisory Committee, University of Michigan School of Public Health.

1997–1998. Dental Public Health Residency Advisory Committee, UCSF School of Dentistry.

1997–1998. Emergency Action Plan Committee, Departments of Dental Public Health and Hygiene and Restorative Dentistry, UCSF School of Dentistry.

May, 1997. Reviewer, UCSF Summer Student Research Proposals.

October, 1997. Judge, UCSF Summer Student Research Projects.

1998. Member, UCSF Cancer Center, Head and Neck Cancer and Tobacco Control Sections.

2000 – Present. Member, Substance Abuse Committee, University of Florida College of Dentistry.

2000 – 2004. Member, Master of Public Health Program Steering Committee. University of Florida.

2000 – Present. Member, Advanced Education Committee. University of Florida College of Dentistry.

2001– Present. Member, University of Florida/Shands Cancer Center.

March 19, 2002. Participant, A Round Table on Diversity. Approximately 100 faculty members working to develop plan for addressing issues of student and faculty diversity. University of Florida.

2003. Member of Quick Recovery Electronic Patient Record Subcommittee on Research.

2004 – Present. Member, Committee on Student Admissions and Recruitment. University of Florida College of Dentistry.

2004 – Present. Internal Advisory Committee member and Grant Proposal Reviewer, University of Florida College of Dentistry Oral Health Research Pipeline Program.

Scott L. Tomar

2004–2005. Member, search committee for cancer epidemiologist. University of Florida/Shands Cancer Center and University of Florida College of Dentistry.

2004–2005. Member, search committee for Duval County Dental Director. Duval County Health Department and University of Florida College of Dentistry.

2005. Chair, search committee for epidemiologist. University of Florida College of Dentistry.

April 22, 2005. Judge for predoctoral and graduate student poster presentations. University of Florida College of Dentistry 3rd Annual Research Day.

2005 – Present. Member, Curriculum Committee. University of Florida College of Dentistry.

2005–2006. Subcommittee on Preventive Dentistry Curriculum.

2006–Present. Member, Bioterrorism curriculum subcommittee.

2006–Present. Member, Early clinical experience subcommittee.

2006–Present. Chair, Evidence-based Dentistry subcommittee.

2005–2006. Member, Epidemiology Faculty Search Committee, University of Florida College of Public Health and Health Professions.

2006. Member, Search Committee for Assistant Director, St. Petersburg Dental Clinic. University of Florida College of Dentistry.

August 17, 2006. Discussion facilitator and table host, New Faculty Orientation Luncheon. University of Florida.

2006–Present. Ad hoc Accreditation Committee on Student Recruitment and Admissions, University of Florida College of Dentistry.

2007. Chair, search committee for Clinical Director, Pediatric Dentistry Residency Program in Naples, Florida.

April 13, 2007. Judge for predoctoral and graduate student poster presentations. University of Florida College of Dentistry 5th Annual Research Day.

International Agencies

2002–Present. Special Consultant, World Health Organization, Scientific Advisory Committee on Tobacco Product Regulation.

October 5–12, 2004. Working Group Member and Chair of Exposure Subgroup, International Agency for Research on Cancer (IARC), World Health Organization. IARC Monographs on the Evaluation of Carcinogenic Risks to Humans, Volume 89: Smokeless Tobacco and Some Related Nitrosamines. Lyon, France.

September 2005. Grant reviewer, Cancer Research UK.

Scott L. Tomar

2006–Present. Consultant to World Health Organization Tobacco-Free Initiative.

Government Service

Federal Government

April 1991–May 1993. Consultant, Head Start Health Training and Technical Assistance Program, Region V, US Department of Health and Human Services.

1993. Reviewer, grant proposal, Agency for Health Care Policy and Research, US Public Health Service.

1994. Reviewer, Lyme Disease Extramural Cooperative Agreement Proposal, Objective Review Panel, Centers for Disease Control and Prevention.

1993–1996. Representative of CDC Office on Smoking and Health to National Dental Tobacco-Free Steering Committee.

1993–1996. Representative of CDC Office on Smoking and Health to US Public Health Service Dental Coordinating Committee on Tobacco Issues.

1993–1996. Co-chair, CDC Smokeless Tobacco Work Group.

1995–1996. CDC 50th Anniversary Physical Activity Event Planning Committee.

1995–1996. Lead reviewer of proposed standard method for the determination of nicotine and moisture content in smokeless tobacco products. Office on Smoking and Health, Centers for Disease Control and Prevention.

1996. Reviewer, background papers for National Strategic Planning Conference for the Prevention and Control of Oral and Pharyngeal Cancer, sponsored by CDC Program in Oral Health, National Institute of Dental Research, and American Dental Association.

August 7–9, 1996. Invited Participant: Data Collection, Evaluation, and Research Working Group, National Strategic Planning Conference for the Prevention and Control of Oral and Pharyngeal Cancer. Chicago, Illinois.

1996. Technical reviewer, grant proposals submitted to Office on Smoking and Health for qualitative research on effects of tobacco industry advertising images on adolescents' attitudes and beliefs.

February 26–28, 1997. National Institute of Dental Research Special Emphasis Panel. Reviewer of program project applications on oral cancer epidemiology and microbiology.

1996. Reviewer. National Cancer Institute. *Changes in Cigarette-Related Disease Risks and Their Implication for Prevention and Control*. Smoking and Tobacco Monograph No. 8. US Department of Health and Human Services, National Institutes of Health, 1997. NIH Publication No. 97-4213.

October 1997–August 1998. Member of external advisory panel, oral health examination component of Fourth National Health and Nutrition Examination Survey (NHANES IV). National Institute of Dental Research and Centers for Disease Control and Prevention.

Scott L. Tomar

March 1998–Present. Member of Consultation Team to the National Task Force on Community Preventive Services, chapter on “Promoting Oral Health in Communities.”

May 1998–January 2000. Member of review panel, Healthy People 2010 Oral Health Objectives. National Institute of Dental and Craniofacial Research and Centers for Disease Control and Prevention.

June 16–17, 1998. National Institutes of Health, Oral Biology and Medicine Study Section-1, Musculoskeletal and Dental Sciences Initial Review Group. Reviewer.

October 1998–July 2000. Epidemic Intelligence Service Center Coordinator, National Center for Chronic Disease Prevention and Health Promotion, CDC.

October 1998–July 2000. Member, Behavioral Risk Factor Surveillance System Advisory Committee, Centers for Disease Control and Prevention.

July 1999. Technical reviewer, Special Interest Project Proposals: Innovative and integrated use of data for surveillance and evaluation. Centers for Disease Control and Prevention (Division of Oral Health) and Prevention Research Centers.

Reviewer, US Department of Health and Human Services. *Reducing Tobacco Use: A Report of the Surgeon General*. Atlanta, GA: US Department of Health and Human Services, Centers for Disease Control and Prevention, National Center for Chronic Disease Control and Prevention, National Center for Chronic Disease Prevention and Health Promotion, Office on Smoking and Health, 2000.

1999–2001. Contributing author and reviewer, “Prevention and Control of Oral and Pharyngeal Cancer” in: Guide to Community Preventive Services, chapter on “Promoting Oral Health in Communities.” Centers for Disease Control and Prevention.

September 2000–September 2001. Planning Committee, 2001 Cancer Conference sponsored by Centers for Disease Control and Prevention.

October 2000–Present. Consultant, Healthy People 2010 Oral Health Steering Committee (Sponsored by Centers for Disease Control and Prevention, Health Resources and Services Administration, and National Institute for Dental and Craniofacial Research).

December 19–20, 2000. Participant, Oral Cancer Screening Workgroup. National Institute for Dental and Craniofacial Research.

January 2001–April 2001. Reviewer, proposals for Centers for Research to Reduce Oral Health Disparities. National Institute for Dental and Craniofacial Research.

December 2001. Reviewer, proposals for a Revised Oral Health Examination in the National Health and Nutrition Examination Survey for 2003. National Center for Health Statistics, CDC.

April 2002. Reviewer, R01 grant proposal submitted to National Institute of Dental and Craniofacial Research.

October 2002. Reviewer, R01 grant proposal submitted to National Institute of Dental and Craniofacial Research.

Scott L. Tomar

March 2003. Reviewer, proposal from New York University to US Department of Justice, “Enhancing Medical and Public Health Capabilities During Times of Crisis.”

April 2003–Present. Invited co-chair of Expert Committee to Advise and Make Recommendations on Population Based Measures of Periodontal Diseases. Centers for Disease Control and Prevention. Atlanta, GA.

June 3, 2003. Invited witness, hearing on: “Can Tobacco Cure Smoking? A Review of Tobacco Harm Reduction.” US House of Representatives Committee on Energy and Commerce, Subcommittee on Commerce, Trade, and Consumer Protection. Washington, DC.

2000–Present. Member, Oral Health Network National Advisory Group, Prevention Research Centers.

April–June, 2004. Reviewer, National Institute of Dental and Craniofacial Research Special Emphasis Panel. R-21 Proposals submitted in response to RFA-DE-04-009, “NIDCR Exploratory and Developmental Grants in Clinical Research.”

September–October 2006. Reviewer, National Institutes of Health, Center for Scientific Review, Oncological Sciences Special Emphasis Panel. R-21 proposals submitted in response to PA-06-212, “Pilot Studies: Oral Complications of Cancer Therapies.”

March–May 2007. Reviewer, National Institutes of Health, National Institute of Dental and Craniofacial Research Special Emphasis Panel ZDE1 YL 53. R-03 proposals submitted in response to PAR06-211.

State Government

February 1997–August 1999. Consultant, State of California Department of Corporations, Division of Health Plans.

November 2001–2004. Chair, Northeast Policy Workgroup, Florida Comprehensive Cancer Control Initiative.

May 29, 2003. Discussant, technical assistance conference call on smokeless tobacco with statewide tobacco control coordinators and educators. Kansas Department of Health and Environment, Tobacco Use Prevention Program.

2003–Present. Member, Florida Behavioral Risk Factor Surveillance System Working Group. Florida Department of Health.

2005–Present. Consultant, State of California Department of Justice, in legal action against US Smokeless Tobacco Company for marketing products to minors.

Other Consultations and Service

January 1997–July 1998. Consultant, InterCal Corporation.

November 2000. Reviewer, grant proposal submitted to The Robert Wood Johnson Foundation: “The National Spit Tobacco Education Program – Minor League Baseball Demonstration Project.”

Scott L. Tomar

2002. Expert witness for plaintiff's attorneys, Spohrer & Willner. *McMullin v. United States Smokeless Tobacco Co.*

2004. Expert witness for plaintiff's attorneys, Jon Ferguson Law Group, PLLC. *Cooper v. United States Smokeless Tobacco Co.*

May 19, 2005. Invited testimony in support of community water fluoridation. Eustis (FL) City Commission meeting.

2006. Expert witness for plaintiff's attorneys, Russell Law Offices. *Vasallo v. United States Smokeless Tobacco Co. et al.*

2007. Expert witness for plaintiff's attorneys, Koskoff, Koskoff & Bieder Law Offices. *Hill et al. v. United States Smokeless Tobacco Co.*

TEACHING

University of California, San Francisco

1996. Instructor and small group facilitator, Successful Dental Practice (DPHH 117).

1997. Instructor and small group facilitator, Successful Dental Practice (DPHH 117).

1996–1998. Volunteer Faculty Supervisor, Student Homeless Dental Clinic.

1996–1997. UCSF Oral Biology 297 Journal Club, faculty mentor.

March 14, 1997. Lecture for Nutrition Course (DPHH 120), “Tobacco Use, Oral Health, and Dentistry,” UCSF, 100 students.

1997–1998. Course Director, Research Methods for Dental Hygiene Students (DH 151), UCSF. 2 units. 18 students.

August 13, 1997. Lecture for Research Methods and Design (Oral Biology 297), “Observational Studies,” UCSF.

1997-1998. Associate Residency Director, UCSF School of Dentistry Dental Public Health Residency Program.

November 7, 1997. Seminar for Pediatric Dentistry Residents, “Epidemiology of Oral Disease in Children.” UCSF. 6 residents.

February 27, 1998. Lecture for Nutrition Course (DPHH 120), “Oral Effects of Tobacco Products”, UCSF, 100 students.

University of Florida

July 2000–August 2006. Director, University of Florida Dental Public Health Residency Program. Residents:

2002–2003 Douglas Manning (winner, First Place, 2004 American Association of Public Health Dentistry Leverett Graduate Student Merit Award for Outstanding Achievement in Dental Public Health)

Scott L. Tomar

2002–2003 Joseph Vu
2002–2004 Kimberly Jones-Rudolph

Fall 2000, Fall 2001. Faculty, Principles of Oral Health Management (DEN 5001c). Lectures and small group discussion on: Research design and statistical analysis; Epidemiology and prevention of dental caries, periodontal diseases and oral cancer; Fluorides, fluoridation, and fluorosis; Diet and plaque control; Tobacco use and tobacco control. Stream Coordinator: Teresa Dolan, DDS, MPH. University of Florida College of Dentistry. 80 first-year dental students.

November 20, 2000. Lecture for Introduction to Epidemiology course (HSC 6507), “Behavioral Epidemiology.” University of Florida College of Health and Human Performance, Master of Public Health Program. 25 graduate students.

May 24, 2001. Lecture for Alternative Careers in Dentistry Course, “Career Opportunities for Dentists at the Centers for Disease Control and Prevention.” 20 dental students.

August 2001–December 2001. MPH epidemiology project supervisor, 3 credit hours. Daisy Mitchell. Topic: Racial differences in use of mammography: findings from the Behavioral Risk Factor Surveillance System.

January 2002–May 2002. MPH epidemiology project supervisor, 6 credit hours. Margaret Hillier. Topic: Prevalence and risk factors for periodontitis among women of reproductive age in NHANES III: implications for the putative link between periodontitis and reproductive health outcomes.

April 2002–August 2002. MPH epidemiology project supervisor, 6 credit hours. Deepali Rane. Topic: Psychosocial differences between urban and rural adults living with HIV/AIDS.

September 12, 2001. HSC 3502, Survey of Diseases and Disability. Lecture: “Dentistry and Dental Care.” 100 undergraduate students.

Spring 2002. Faculty, Evidence-Based Medicine / Epidemiological Research Methods I (BMS 5823). Instructed epidemiology graduate students on research methods and co-supervised (with Kristen Smith) their group research project.

Fall 2002, Fall 2003, Fall 2004. Course Director, Principles of Oral Health Management (DEN 5001C). Lectures and small group discussion on: Research design and statistical analysis; Evidence-based Dentistry; Epidemiology and prevention of dental caries, periodontal diseases and oral cancer; Fluorides, fluoridation, and fluorosis; Diet and plaque control; Tobacco use and tobacco control; Ethics and Professionalism. University of Florida College of Dentistry. 80 first-year dental students.

Fall 2003 – Spring 2004. Faculty member, Interdisciplinary Family Health. Co-supervised 12 students from UF Colleges of Dentistry, Medicine, Pharmacy, and Health Professions.

October 7, 2002; November 14, 2003; November 22, 2004, November 14, 2005. Lecturer, Preparation for Part II – National Dental Board Examination (DEN 8290). Study design, oral epidemiology, dental public health. ~25 4th year dental students.

Scott L. Tomar

Summer 2003. Faculty mentor, University of Florida College of Dentistry 2003 Summer Student Research Program. Student: Maysarih Rezaie. Research topic: Oral cancer-related knowledge, attitudes, and practices of Florida's dental hygienists.

June 2004–Present. Faculty mentor for dental student, John Schaefer. Research topic: Potentially missed opportunities for earlier detection of oral and pharyngeal cancer.

Spring 2005. Small group facilitator, Oral Health Management and Psychosocial Issues over the Lifespan (DEN 5221C).

Spring 2006. Internship supervisor, Ramin Nadjafi, College of Health and Human Performance, Department of Health Science Education.

Fall 2006. Course director, Oral and Craniofacial Epidemiology (PHC6937 and DEN6937). University of Florida College of Public Health and Health Professions. 7 graduate students.

September 20, 2006. Lecture for Introduction to Public Health (PHC 2100), College of Public Health and Health Professions. "Dental Public Health." 27 undergraduate students

MPH Supervisory Committee Member:

2000–2001	Jeff Shirah
2001–2002	Chris Sstrom
2001–2002	Daisy Mitchell (committee chair)
2000–2002	Marie Wells
2000–2002	Christopher Allen (committee chair)
2001–2003	Kimberly Jones-Rudolph
2001–2003	Brandy Roose
2001–2002	Mary Patricia Ross
2001–2002	Mark Hejrat-Yazdi
2001–2002	Deepali Rane (committee chair)

Doctoral Dissertation Committes

2006–	Michael Loree (Dept. of Sociology)
-------	------------------------------------

Other

September 1998–April 1999. Field Supervisor, Jennie E. Nichols, graduate student in Epidemiology Department, Rollins School of Public Health.

December 3, 1998. Lecture for Prevention Course, "Tobacco and Oral Health", Medical University of South Carolina, College of Dental Medicine, 100 first-year dental students.

July 26–28, 1999. Co-instructor (with Herb Severson, PhD): "Spit Tobacco and Cigars: A review of the epidemiology, risks, and interventions". 25 students. 5th Annual Tobacco Use Prevention Summer Institute, University of North Carolina at Chapel Hill / Centers for Disease Control and Prevention. Atlanta, GA.

September 17-22, 2000. Co-instructor (with Herb Severson, PhD): "Spit Tobacco, Cigars, and Alternative Tobacco Products". 35 students. 6th Annual Tobacco Use Prevention Training

Scott L. Tomar

Institute, University of North Carolina at Chapel Hill / Centers for Disease Control and Prevention / Robert Wood Johnson Foundation. Denver, CO.

Spring 2001. Instructor, Santa Fe Community College Dental Hygiene Program, Gainesville, Florida. DEH 2702, Community and Dental Public Health. Topics: “Epidemiology of Tooth Loss,” “Epidemiology of Periodontal Diseases,” “Epidemiology of Oral Cancer,” and “Tobacco Use and Oral Health.” 40 students.

March 2, 2001. Lecturer, Manatee Community College Dental Hygiene Program, Bradenton, Florida. Topic: “Epidemiology of Oral Diseases.” 13 students.

September 18–23, 2001. Co-instructor (with Herb Severson, PhD): “Spit Tobacco, Cigars, and Alternative Tobacco Products”. 35 students. 7th Annual Tobacco Use Prevention Training Institute, University of North Carolina at Chapel Hill / Centers for Disease Control and Prevention / Robert Wood Johnson Foundation. Portland, OR.

Fall 2001. Instructor, Santa Fe Community College Dental Hygiene Program, Gainesville, Florida. DEH 2702, Community and Dental Public Health. Topics: “Epidemiology of Periodontal Diseases,” “Epidemiology of Oral Cancer,” and “Tobacco — Oral Health Effects.” 25 students.

July 8–11, 2002. Co-instructor (with Judith Gordon, PhD): “Spit Tobacco, Cigars, and Alternative Tobacco Products”. 35 students. 8th Annual Tobacco Use Prevention Training Institute, University of North Carolina at Chapel Hill / Centers for Disease Control and Prevention. Kansas City, MO.

February 13, 2004. Co-Instructor (with Dr. Denis Lynch): “Dentist Saves Patient’s Life: Early Oral Cancer Detection & Tobacco Use Cessation”. (American Dental Association Continuing Dental Education Program). University of Minnesota, Minneapolis, MN.

April 23, 2004. Co-Instructor (with Dr. Denis Lynch): “Dentist Saves Patient’s Life: Early Oral Cancer Detection & Tobacco Use Cessation”. (American Dental Association Continuing Dental Education Program). University of Mississippi School of Dentistry, Jackson, MS.

January 21, 2005. Co-Instructor (with Dr. Michael Siegel): “Dentist Saves Patient’s Life: Early Oral Cancer Detection & Tobacco Use Cessation”. (American Dental Association Continuing Dental Education Program). Tennessee Dental Association, Franklin, TN.

September 21, 2005. Co-Instructor (with Dr. Joseph D’Ambrosio): “Dentist Saves Patient’s Life: Early Oral Cancer Detection & Tobacco Use Cessation”. (American Dental Association Continuing Dental Education Program). Rhode Island Dental Association, Providence, RI.

October 7, 2005. Co-Instructor (with Dr. Martin S. Greenberg): “Dentist Saves Patient’s Life: Early Oral Cancer Detection & Tobacco Use Cessation”. (American Dental Association Continuing Dental Education Program). American Dental Association 146th Annual Session, Philadelphia, PA.

January 20, 2006. Co-Instructor (with Dr. Michael Siegel): “Dentist Saves Patient’s Life: Early Oral Cancer Detection & Tobacco Use Cessation”. (American Dental Association Continuing Dental Education Program). Hawaii Dental Association 103rd Annual Session, Honolulu, HI.

Scott L. Tomar

RESEARCH SUPPORT

November 1997–June 1998. Principal Investigator. “Validity of Self-Reported Smokeless Tobacco Use.” University of California, San Francisco. Academic Senate Opportunity Fund. Award No. 2-509774-09544-3. \$10,000. 10% effort.

July 1997–June 1998. Faculty, UCSF. “Specialty Training in Dental Public Health Grant Program.” Health Resources and Service Administration. 10% effort (no cost).

August 2000 – August 2002. “Assessment of the Dental Public Health Infrastructure in the United States.” National Institute for Dental and Craniofacial Research, Contract No. 263-MD-012931. \$41,000. 10% effort.

November 2000 – October 2002. Principal Investigator. “Analysis of Data from the Behavioral Risk Factor Surveillance System.” Centers for Disease Control and Prevention. Interagency Personnel Agreement No. 01IPA24932. \$44,720. 20% effort.

September, 2001 – August, 2004. Principal Investigator. “Florida Model for Oral Cancer Control, Phase I.” National Institute for Dental and Craniofacial Research. 1 R21 DE14416-01. \$300,000 total direct costs. 25% effort.

October 2001 – September 2002. Co- Principal Investigator. “Assessment of Attitudes about Oral Cancer Detection and Prevention Among a Random Sample of Black and non-Black Floridians.” (H. Logan, PI). CDC Prevention Research Centers. \$14,148 total direct costs. 5% effort.

October 2001 – September 2002. Co- Principal Investigator. “Assessment of Attitudes about Oral Cancer Detection and Prevention Among a Random Sample of Black and non-Black Floridians.” (H. Logan, PI). US Department of Health and Human Services, Office of Minority Health. \$12,000 total direct and indirect costs. 5% effort.

May 2002–April 2003. Co-investigator. “Assessment of Effectiveness of Oral and Pharyngeal Cancer Awareness Campaign.” (H. Logan, PI) American Cancer Society Grant ROG-02-230-01-ROG. \$74,918.75 total direct and indirect costs. 5% effort.

May 2002–July 2002. Principal Investigator. “Review of the Oral Health Effects of US and Swedish Snuff.” National Cancer Institute, contract no. 263-MQ-210254. \$4,800 total direct and indirect costs.

August 2002–July 2007. Course coordinator. “Behavior Modification, Dentists and Oral Cancer.” (S. Silverman, PI). National Cancer Institute. 1R25CA093386-01. \$1.2 million total direct costs.

September 2002–November 2002. Principal Investigator. “Smokeless Tobacco Products in the United States and Sweden.” World Health Organization Agreement No. HQ/02/081272. \$2000 total direct and indirect costs.

Scott L. Tomar

January 2003–December 2003. Principal Investigator. Unrestricted grant to support oral cancer research. Andrew J. Semesco Foundation, Inc. \$3000 total direct and indirect costs.

July 1 2003–June 30 2006. Principal Investigator. “Florida Dental Public Health Residency Program.” Health Resources and Services Administration. UPN #02092514. \$273,254 total direct and indirect costs. 15% effort.

December 1, 2003 – November 30, 2005. Principal Investigator. “Surveillance for Access to Dental Care Services in Florida.” Florida Dental Association. \$36,180 total direct and indirect costs. 10% effort.

May 1, 2004–April 30, 2009. Co-Principal Investigator. “Enhancing Oral Health Care Use by HIV-Positives.” (L. Metsch, PI). National Institute of Dental and Craniofacial Research. 1R01DE015523-01A1. 10% effort.

August 1 2004–July 31, 2005. Principal Investigator. “Exploring Florida's Racial Disparities in Oral Cancer Treatment.” Tuskegee University and New York University, Pilot Bioethics Studies on Oral, Head & Neck Cancers. 5% effort. \$15,000 total direct and indirect costs.

September 24, 2004–June 30, 2009. Principal Investigator. “Reducing Oral Cancer Disparities in Florida.” National Institute for Dental and Craniofacial Research. 25% effort. 1R01DE16226-01. \$1.25 million total direct costs.

December 13, 2004– December 12, 2006. Co-Investigator. “Psychological stress among survivors of head and neck cancer.” (H. Logan, PI). National Cancer Institute. R21CA111593. 10% effort.

January 2005–December 2006. Co-Principal Investigator. “Obesity Prevention in Youth Using Dental Practice Settings.” (B. Beech, PI). National Institute for Dental and Craniofacial Research. 1 R21 DE016131-01A1. 10% Effort. \$275,000 total direct costs.

October 1, 2006–September 30, 2008. Co-investigator. “Partnership to Improve Oral Health in Young Children: Physician-Based Oral Health Intervention.” (F. Catalanotto, PI). Health Resources and Services Administration grant T12HP07706-01-00. 5% effort.

Consultancies

August 1, 2004 – April 30, 2005. Interactive Tobacco Cessation for College Students (H. Severson, PI). National Cancer Institute 1R43CA108345-01. Consultant.

April 1, 2004 – March 31, 2005. Crossing the Spit Divide: Exploring Intervention Strategies for Colorado Regions with High Prevalence of Smokeless Tobacco Use (A. Levinson, PI). Colorado Tobacco Research Program.

March 6, 2006 – March 5, 2010. Member, Data Safety Monitoring Board. Evaluating Nicotine Lozenges for Treatment of Smokeless Tobacco Addiction. NIH/NCI grant R01-CA121165. PI: Jon O. Ebbert, MD. Mayo Clinic College of Medicine.

Scott L. Tomar

July 1, 2006 – June 30, 2008. Member, External Advisory Committee. Reducing the Burden of Tobacco-Associated Cancers in Florida. PI: David J. Lee, University of Miami. James & Esther King Biomedical Research Program.

Pending

Principal Investigator. “Standardized Patients in Tobacco Training for Dental Students.” National Institute for Dental and Craniofacial Research. 20% effort. (Pending)

Consultant. Smoking and snus: Harm reduction in progress? (P. Shields, PI). National Cancer Institute.

Co-investigator. Testing the feasibility of xylitol prevention program and utilizing health care provider network. (J. Autio-Gold, PI). University of Florida Opportunity Grant (pending).

Co-investigator. “Incorporating Oral Health Education into WIC Perinatal Programs.” (J. Watson, PI). National Institute of Dental and Craniofacial Research. 2% effort (Pending)

Co-investigator. “Late effects of treatment among long term survivors of head and neck cancer.” (H. Logan, PI). National Cancer Institute.

Co-investigator. “Obesity Prevention in Public Dental Clinics.” (B. Beech, PI). National Institute of Diabetes & Digestive & Kidney Diseases. 15% effort.

Consultant. “Evaluation of Oral Tobacco as a Harm Reduction Tool for Smokers.” (D. Hatsukami, PI). National Cancer Institute.
