COMMISSION DECISION
of 10 January 2003

(notified under document number C(2002) 5575)
(Text with EEA relevance)

(2003/35/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Whereas:

(2) A dossier for the active substance benalaxyl-M was submitted by Isagro, Italy, to the Portuguese authorities on 22 February 2002 with an application to obtain its inclusion in Annex I to Directive 91/414/EEC. A dossier for the active substance benthiazicarb was submitted by Kumiai Chemicals Industry Co Ltd to the authorities of Belgium on 19 April 2002. A dossier for the active substance 1-methylcyclopropene was submitted by Rohm and Haas, to the authorities of the United Kingdom on 28 February 2002. A dossier for the active substance prothioconazole was submitted by Bayer Crop Science, to the authorities of the United Kingdom on 25 March 2002. A dossier for the active substance fluoxastrobin was submitted by Bayer Crop Science, to the authorities of the United Kingdom on 25 March 2002.

(3) The authorities of the Portugal, Belgium and the United Kingdom have indicated to the Commission that, on preliminary examination, the dossiers for the active substances concerned appear to satisfy the data and information requirements of Annex II to Directive 91/414/EEC. The dossiers were subsequently forwarded by the respective applicants to the Commission and other Member States, and were referred to the Standing Committee on the Food Chain and Animal Health.

(4) By this Decision it should be formally confirmed at Community level that the dossiers are considered as satisfying in principle the data and information requirements provided for in Annex II and, for at least one plant protection product containing the active substance concerned, the requirements of Annex III to Directive 91/414/EEC.

(5) This Decision should not prejudice the right of the Commission to request the applicant to submit further data or information to the Member State designated as Rapporteur in respect of a given substance in order to clarify certain points in the dossier.

(6) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on the Food Chain and Animal Health,

HAS ADOPTED THIS DECISION:

Article 1

The dossiers concerning the active substances identified in the Annex to this Decision, which were submitted to the Commission and the Member States with a view to obtaining the inclusion of those substances in Annex I to Directive 91/414/EEC, satisfy in principle the data and information requirements set out in Annex II to Directive 91/414/EEC.

The dossiers also satisfy the data and information requirements set out in Annex III to Directive 91/414/EEC in respect of one plant protection product containing the active substance, taking into account the uses proposed.

Article 2

The rapporteur Member States shall pursue the detailed examination for the dossiers concerned and shall report the conclusions of their examinations accompanied by any recommendations on the inclusion or non-inclusion of the active substance concerned in Annex I of Directive 91/414/EEC and any conditions related thereto to the Commission as soon as possible and at the latest within a period of one year from the date of publication of this Decision in the Official Journal of the European Communities.

Article 3

This Decision is addressed to the Member States.

Done at Brussels, 10 January 2003.

For the Commission

David BYRNE
Member of the Commission
