Wien, am 2000-02-17

Dear Mister Albright,

referring to your letter dated 5.2.2000 we allow us to inform you that toxic fluorides have never been added to the public water supplies in Austria.

If you need further information about the public water supply in Austria please do not hesitate to contact us again.

Kind regards

i.A. Dipl-HTL-Ing M. Eisenhut
Head of Water Department
